**CERTIFICATE OF NO OBJECTION REGARDING THE LITIGATION  
ADMINISTRATOR'S FIRST OMNIBUS OBJECTION TO CERTAIN  
INSUFFICIENT DOCUMENTATION CLAIMS**

The undersigned counsel to Mohsin Y. Meghji (the “**Litigation Administrator**”) hereby certifies that:

1. On August 26, 2024, the Litigation Administrator filed the *Litigation Administrator's First Omnibus Objection to Certain Insufficient Documentation Claims* [Docket No. 7639] (the “**Objection**”).<sup>2</sup> A proposed form of order (the “**Proposed Order**”) granting the relief requested in the Objection was attached to the Objection as Exhibit A.
2. Pursuant to the Objection, the *Order (I) Approving (A) Omnibus Claims Objection Procedures, (B) Omnibus Substantive Claims Objections and Form of Notice, and (C) Satisfaction Procedures and Form of Notice and (III) Modifying Bankruptcy Rule 3007(e)(6)* [Docket No. 2090] (the “**Omnibus Claims Objection Procedures Order**”), and the Notice of Objection, responses to the Objection were to be filed and served no later than October 1, 2024, at 4:00 p.m. prevailing Eastern Time (the “**Response Deadline**”).
3. Local Bankruptcy Rule 9075-2 provides that a motion may be granted without a hearing if (a) no objections or other responsive pleadings have been filed on or before the applicable objection deadline and (b) counsel for the entity that filed the motion files a statement certifying that counsel has reviewed the docket not less than forty-eight hours after the objection deadline and no objection, responsive pleading, or request for hearing with respect to such motion appears thereon.
4. As of the filing of this certificate, and to the best of the undersigned counsel’s knowledge, the Litigation Administrator has not received any formal objections to or requests for

<sup>2</sup> Capitalized terms used but not defined herein have the meanings ascribed to them in the Objection.

hearing regarding the Objection, and no responses or objections thereto appear on the Court's docket of the above-captioned Chapter 11 Cases.

5. For the avoidance of doubt, prior to the Response Deadline, counsel to the Litigation Administrator received informal responses from two claimants in connection with the Objection. Counsel to the Litigation Administrator conferred with each such claimant, however, none of the claimants submitted documentation evidencing a valid claim against the Debtors. As a result, counsel to the Litigation Administrator advised each such claimant individually that because they had failed to provide evidence of a valid claim against the Debtors, the objection to their claim(s) would continue as filed and that in accordance with the Notice of Objection, if they wished to oppose such objection they must file a written response with the Court in accordance with the procedures described in the Notice of Objection before 4:00 p.m. (prevailing Eastern Time) on October 1, 2024. None of the claimants filed a formal objection or request for hearing in the Chapter 11 Cases.

6. The Litigation Administrator has prepared a revised form of the Proposed Order (the "**Revised Order**"), a copy of which is attached hereto as **Exhibit A**. The Revised Order removes proof of claim numbers 33105, 33125, and 33121 as the Litigation Administrator was unable to serve via First Class Mail due to a complete lack of contact information (the "**Service Claimants**"). The Debtors hereby continue the Objection with respect to the Service Claimants. For the convenience of the Court and all parties in interest, a redline of the Revised Order against the Proposed Order is attached hereto as **Exhibit B**. The Litigation Administrator reserves the right to further amend the Revised Order as appropriate.

7. Accordingly, the Litigation Administrator respectfully requests entry of the Revised Order attached hereto as **Exhibit A**.
